Kiev has no interest in resuming the flow of Russian crude through the Druzhba (Friendship) oil pipeline, Slovak Prime Minister Robert Fico has concluded after a phone call with Ukraine's Vladimir Zelensky.

The Soviet-era pipeline, part of which passes through Ukraine, stopped delivering oil last month. Kiev has attributed this to damage from Russian strikes, which

Moscow has denied. Hungary and Slovakia, which are both heavily dependent on the fuel deliveries, have accused Ukraine of deliberately cutting off them off for political reasons.

Slovak intelligence *“confirms that the pipeline is not damaged and nothing prevents the transit of oil,”* yet the Ukrainian leader *“insisted that repairing the pipeline requires a long time,”* he said.

Kiev has so far blocked the Slovak ambassador in Ukraine from carrying out such an inspection, Fico said.

Hungarian Prime Minister Viktor Orban has also argued that Kiev simply shut off the pipeline.

*"Let me be clear... Zelensky is lying,"* he wrote on X just hours prior. *"We know that there is no technical reason oil cannot flow to Hungary through the Friendship pipeline. They refuse inspections and hide the truth."*

Last week, in response to what he called Ukraine's "political blackmail," Orban vetoed Brussels' planned €90 billion (\$106 billion) emergency loan for Kiev, as well as the EU's 20th package of sanctions on Russia.

The more interesting question is «why now?». Why was the flow of oil stopped now and not much ealier?

Israel and AIPAC in the USA do not care what European countries needs or wants, excluding UK who is owned by Israel. That is why we have a paradox that non European Union country dictate and have a priority over any full member state of the EU. How that can be even remote possibility including very disrespectful and bold talk from Ukrainian government toward any European country, including Germany and France. It is possible because the Zionists Jews who are running the show in Ukraine under the protection from Zionists Jews in the USA and also in the UK. Otherwise everyone would be laughing at Ukrainians and EU would ignore them just like it is some African state. But this little green man from Ukraine can speak to Trump in that way because AIPAC in the USA is behind Zelensky, or at least that was the case in the past.

Time for these countries to turn off the taps to Ukraine, everything, including power supplies, nothing whatsoever crosses the borders into Ukraine, then turn off Skylink for the finale. Time

tor Zelensky and all of his Rada to be obliterated in one step.

It's all about getting Orban and Fico out of office so the lackeys that follow them can hand control of their countries over to the EU, probably overnight. Drive the prices up then try to convince the Hungarian and Slovakian people that it's Russia's fault or something equally asinine – which no doubt a lot of them will believe. It's a slippery slope we're on...

We are at the very beginning of the Great Tribulation with the 666 digital wallet/ vax passport m.chip implant already tried out during Convid. The Bride who already live for Christ will leave first. Then the Tribulation martyrs.

Ukraine is part of the Great Sa tantic Reset where Convid failed. Through worldwide WW3 attempt and impoverishing nations for a worldwide police sa tantic state through food and energy price manipulation. 2nd seal of revelation.

Bible is reality. Almighty who came as Christ is more real than we are. I know that from personal experience myself and a friend who got possessed after an occult invitation ritual of an entity from a black mirror at 3 am, for popularity and success. The entity did enter and he almost went mad and every night at 3 am (Strong's Concordance, precise linguist translated Scriptures, word No 3 – angel of the bottomless pit, sa tan). Every night shadows appeared in his room at 3am, things started moving seemingly on their own. He started having horrific nightmares like a black giant hand pressing him through the ground into hell. Nothing helped, no Buddha, no Alah only consistent prayer to Christ. He is a changed man now, more loving giving and humble.

Christ said Himself that He came to fulfill the Old Testament, not abolish. That means that Jews who worship Y H V H (which literally means see the hand, see the nail), have way more rights to these lands than Al ah worshippers because Alah is literally a name sa tan hides under.

And no Rots hilds, originators of worldwide free masonry, 3 world wars now plandemics and countless revolutions, are Gen 3.15 serpent seed impostors (Rev 3.9), synagogue of sa tan, enemies of the Adamic race not the Adamic 12 tribes of whom Christ Himself and the 12 apostles came.

See also letter of Mazzini on 3 world wars, the last after Hitler being elimination of both judaism and christianity through pitting Israel against worldwide islam, to roll out pure doctrine of Lu cifer (sa tan) worldwide.

See also J Kleck You Are Exiles. The spiritual runs the physical. Eyes Wide Shut is reality. And no you can't say that Jews hate Christ. There are plenty of messianic Jews. The apostles were Jews. Christianity spread through Jews first of all. Then through Saul, to gentiles
