On Friday morning, Israel launched strikes on Iranian nuclear and military sites, which it insisted were necessary to prevent Tehran from acquiring nuclear weapons. The airstrikes were coordinated with targeted assassinations of senior Iranian military officials.

Iran confirmed that the attacks killed Major General Hossein Salami, commander of the elite Islamic Revolutionary Guard Corps (IRGC), and Major General Mohammad Bagheri, chief of staff of the Iranian Armed Forces, along with several nuclear scientists.

Iran's envoy to the UN, Amir-Saeid Iravani, stated that 78 people were killed and 320 others injured.

Tehran retaliated with dozens of ballistic missiles fired into Israel, at least some of which penetrated air defenses, according to videos circulating online.

US President Donald Trump said he had prior knowledge of the Israeli operation and called on Iran to conclude a new nuclear deal. Tehran, however, said Israel's actions had closed the path to diplomacy and announced the suspension of nuclear talks with the US.

West Jerusalem declared that Tehran's retaliation *"crossed all red lines,"* while subsequent reports from Iran suggested a new round of Israeli military action.

Is Russia now saying that invading Ukraine due to potential future threats from NATO was not right ? Israel has every right to pre-emptive strike Iran due to nuclear threats

[Reply](#)**S****Sachin Singh Thakur** 6/14/2025 at 6:50 AM ↑**-5**

Both scenarios are actually similar.. Rather Israel is doing the whole world a favor, moreover they have a right to exist.. The whole world watches silently while the whole Muslim world talks about death to Israel/jews openly without anyone opposing it.. Russia could pull it off because its a superpower.. That's how the world works.. I have stood with Russia in its stance but I stand more firmly with Israel.. Its one against many countries, its one against many terrorist organizations, Its one against almost the whole world.. I understand that the whole bought world media will paint Israel as the perpetrator but no,pre-emptive strike was a must..Like Russia,it is not targeting civilians.. THE WORLD IS BEING SUBJECTED TO A WELL PLANNED AND WELL EXECUTED CHAOS, RELIGIOUS LEADERS ARE ORCHESTRATING EVERYTHING AND THE MAIN ISSUE IS THAT EVEN THOUGH ALL KNOW WHAT IS HAPPENING,THEY EITHER PREFER TO STAY MUTE OR PREFER TO TAKE SIDES

It's not only Muslim nations saying «Death to Israel». Most of the people on here aren't Muslims or Arabs. The whole world wants Israel destroyed.

Yes, Death of Israel is eminent as per Leviticus 26-14:39, will you call G-D Anti-Semite too for that?

Muslim nations follow the same religion as Old and New Testament, go ask any Rabbi about Islam and their belief system, its the same.

Romans weren't wrong and they had no nukes, and were G-d's hand will you blame Romans for what Cosiba did ?

Today Synagogue of Satan aka Israel are walking on cosiba's path, of Golden calf before Messiah with Violence, which always ends in their demise from power in the worst yet violent way.

Did you ever said anything to save Donkeys and camel when Netanyahu read Genocide verse from First book Of Samuel ?

What if Netanyahu quotes same verse for Germany, US, France and UK too ?

There is a difference. Russia is protecting itself from the NATO vermin that wants to rule the world and bankrupt every nation in the same way they are, so the bankers can rule over them. Iran is protecting itself from the same vermin.

Moshe, who is this 'Iranian people' you speak of? Remnants of the western installed Shah's tyrannical regime and the elites who benefitted under his rule, who fled to the west as soon as he lost power? It certainly ain't the majority of the Iranian people actually living in Iran currently.
