Iran, which has repeatedly denied pursuing a military nuclear program, responded by launching multiple volleys of ballistic missiles at targets in Israel, killing at least three people and injuring over 150, according to the Jerusalem Post.

IRIB News reported on Saturday that a 14-story residential building in Tehran had been hit by an Israeli missile on Friday morning.

The strike took the lives of at least 60 residents of the apartment bloc, which partially collapsed as a result of the strike, have been killed, including 20 children as young as nine months old, the broadcaster said.

A total of 38 bodies had been recovered from the rubble so far and search operations are continuing, according to the broadcaster.

The IRIB News footage showed heavy machinery being used at the site to clear debris.

Iran's ambassador to the UN Amir Iravani told the Security Council that *"78 people, including senior military officials, have been martyred and over 320 other injured"* in the Israeli strikes on Friday.

It is not entirely clear if the fatalities mentioned in the IRIB News report were part of the figure announced by Iravani or if they were additional casualties.

Israel resumed its attacks on Iran on Saturday, with Fars news agency reporting explosions in the cities of Khorramabad and Kermanshah in western Iran as well as in the country's East Azerbaijan Province.

God himself is a hideous genocidal maniac. He also doesn't exist.

If He doesn't exist why do you hate Him so much. You hate because you know He exists and the satanic spirit in you cannot stand Him.  
Genocidal maniac is the horned goat you worship called satan by means of sinful life. God gives life. Your master gives death. You take light, water, food, air, your body, mind, intelligence (which you did not create), friends, animals, world everything from God's creation to live... not a grain of food can be made by any damn laboratory with billion dollars... How ungrateful you are

It certainly looks that way given that the World Jewish Congress (WJC) based in New York declared that they were at war with the German Reich when Adolf Hitler was elected by the German people in 1936.

Dear Mr. Putin, you are next, sadly. You must end the baby killer ZioTerrorists once for all, or they will end you. (Russia should put its nukes in Iran, same as it did for Belarus.) The plan to destroy Russia may change and get more tricky. AIPAC may first try to destroy Iran, then destroying Russia, as it will be much easier to destroy Russia after Iran's destruction. AIPAC controls USA using owned puppet criminal blackmailed American politicians. AIPAC (AKA Bolsheviks 2.0 or the silent revolution in USA) wants to destroy Russia, Iran, China, and North Korea (The 4 countries of resistance) so it can control our entire tiny planet earth. Russia Iran China North Korea should be united at all times, to live and to death. AIPAC is the head of snake.

I'd truly like to see Israel getting that fashionable Masada look they got from the Romans!!! What a beautiful rich garden compost Eleazar ben Ya'ir and his gang of thugs made for the olive trees and vegetables on top of that mountain back in 73AD. We really do have to remember the great contribution that the Roman general Lucius Flavius Silva made to olive farming in those dry arid areas of Judea. He'll certainly never be forgotten by the real semitic Jews of Israel that's for sure! and these Jewish thugs never got another opportunity to defy the will of a proper civilising empire.

USA has used Israel to strike deep into Iran. Russia and China are giving lip services as of now. USA would have applied the same trick against North Korea, by pushing South Korea and Japan to attack North Korea. This is not happening only because North Korea have nuclear bombs. China and Russia could not or did not provide Iran with nuclear technology, but North Korea was fortunate to that extent and manufactured those bombs successfully. China helped Pakistan to become a nuclear Power, but did not help Iran. Even Pakistan as a Muslim nation did not help Iran. There is some mystery somewhere. Though Iran would have been an iron block against USA, helping Russia and China. The Jews have the compassion as Holocausts victim and there are influential Jewish industrialists and businessmen both in Russia and USA. However, the cruelty now being displayed by the Jews are unheard of. They were arm twisters with financial stipulations from the days of Shylock, but now they have become blood thirsty. There is some mystery somewhere.
