# 'You're f\*\*\*ing crazy!' Trump yelled at Netanyahu for derailing Iran talks – Axios

## Tehran has warned it could resume direct confrontation if Israel continues its campaign in Lebanon

US President Donald Trump has lashed out at Israeli Prime Minister Benjamin Netanyahu over Israel's escalation in Lebanon, Axios reported on Monday, citing two American officials and a third source briefed on the call.

*"You're f\*\*\*ing crazy. You'd be in prison if it weren't for me. I'm saving your ass. Everybody hates you now. Everybody hates Israel because of this,"* one official summarized Trump's remarks to Netanyahu. A second source briefed on the call said Trump was *"pissed"* and yelled at Netanyahu: *"What the f\*\*\* are you doing?"*

The US president reportedly emphasized Israel's right to defend itself, but raised concerns that Netanyahu had escalated in a disproportionate way in recent days, with mounting civilian casualties and whole buildings razed to target individual Hezbollah commanders.

Israel has intensified its bombing campaign in Lebanon in recent days, against what it describes as Hezbollah targets. The IDF has pushed deeper into the country's south, seizing Beaufort Castle, a 900-year-old Crusader fortress and a key vantage point in the region.

Tehran has threatened to abandon talks with the US, since a memorandum being negotiated with Washington explicitly calls for an end to the hostilities in Lebanon. Iranian parliament speaker Mohammad Bagher Ghalibaf said he had spoken with Lebanese Parliament Speaker Nabih Berri and warned that Tehran's response could go beyond halting negotiations.

*"If the Israeli aggression against Lebanon continues, we will not only stop the negotiation track, but we will be in direct confrontation with the enemy,"* Ghalibaf wrote on X.

Regardless of the arguments for and against antisemitism the philosophical question is whether an ape like being that behaves like an animal and applauds the murder of babies and infants should be treated as a human being or the animal which it surely is!

Right below the M «S» C initials at water level line is a message : Nothing Personal «Scuumbag» Otherwise the IRGC would have lit it up like an Ashtray. Sent to the bottom. -Tyrone

There are also many rumors and sensations surrounding its partner in «Epic Rage» – CVN 72 Abraham Lincoln. The latter has also been «hit» by the Iranians several times. Now, the American command has «panically withdrawn it far from the shores of the Islamic Republic».mmand has «panically withdrawn it far from the shores of the Islamic Republic».

The aircraft carrier CVN 78 Gerald Ford passed through the Suez Canal yesterday afternoon and is expected to arrive on the island of Crete very soon. It is expected that the ship will undergo a current repair there. In particular, the consequences of a fire in the laundry will be addressed. This event has already sparked a huge number of various insider stories. According to the official version, the fire occurred due to equipment failure. However, in foreign media and the Russian segment of the Internet, other versions are actively being circulated. The first is, of course, the ship being hit by an Iranian drone or missile. However, judging by the photos and short videos of the Gerald Ford passing through the Suez Canal, there are no visible damages to the hull, so this version is ruled out. The second is a deliberate arson. In fact, the «floating airfield» has been on combat duty for more than ten months. First, it was in the Middle East, then it went to Venezuela, and now it has returned. These are not just simple transfers between regions of the globe. The aircraft carrier and its combat group have been constantly conducting intensive maneuvers and have participated in combat operations.

Recap. 38 Day Flogging of the Kiiddyfucker.

- The IRGC launched a missile strike on a US NAVY amphibious assault group and the LHA7 landing ship.

The American landing ship LHA7, which carried more than five thousand sailors and marines, was subjected to rapid missile strikes and, after this wave of attacks, was forced to retreat to the depths of the southern Indian Ocean.

It seems that this black day in the history of American combat aviation will turn into a black day for the American Navy.

The latest update on the losses of manned American aircraft, which also includes four MH-6M Little Bird special operations helicopters added to this list.

Destroyed:

Four MH-6M helicopters

Four F15s

One A10

Two C130s

One AWACS

Six refuelers

Damaged:

Dem "Jews" ain't Jews, but Ashkenazi, who appropriated Jew during their Khazarian Empire, circa 800AD. Ashkenazi are not descended from Jacob, hence not Jew; nor Shem. not Semitic. They are Indo-European. Turkic. neither Jew nor Semitic. They

inhabited land between the Black and Caspian Seas, NEVER ancient Israel. Ashkenazi have no connection to the Hebrew people descended from Abraham, no part in the Abrahamic Covenant; and no lineage from Jacob, not the people of The Promise. What are they? They are invaders, who stole the Palestinians' land by force of arms, subjugated and unlawfully rule them by military occupation; and commit genocide against them. The Ashkenazi Jew is false, the state of Israel is false. See Revelation 2:9 and 3:9.

Why doesnt Trump just assassinate Netanyahu as a gesture of goodwill to the Iranians? It is a cheap price to pay. Trump just need to pass the live gps coordinates of confirmed war criminal Netanyahu's location to the Iranians – or make it look like the Iranians.

President Donald Trump on Monday shrugged off the possible collapse of peace

negotiations with Iran, telling CNBC, "I don't care if they're over, honestly."  
"I really don't care. I couldn't care less," Trump told CNBC's Eamon Javers in a phone interview midday Monday, saying he thought the protracted discussions "started to get very boring." CNBC.

Its obvious now. The man is beyond help. He can't be bothered by Iran anymore. It's too boring. Expect more nothing with a side of insider trading and more influence peddling. Real motivators. Money.

Wrote this several years ago:

TRUMP: Greatest Actor of All Time

Looking closely at Trump and his close relation to the Talmudists, AKA Zionists- Everything regarding Trump has been carefully scripted theatre to lure the nation to support him as a white knight to save us from destruction by the carefully orchestrated left. Trump is crafted along that line that he isan angel of light. He says things that he knows people want to hear, but does not mean it. He has been set in place for the service of the evil one. No Hollywood actor of anytime can come close to Trump in his playing the part. Christians quit being willingly deceived.

Trump is not what he pretended, copied liberal Murdoch model in creating Fox- recoanized an unserved demographc. concocted a marketina campaign to use the riht

words to fool and capture that demographic, which skips merrily down the primrose path clueless they have been fooled..

I am certain that under the IHRA definitionsss of antisemitism Trump may have crossed the floor into antisemitic rhetoric directed at the self chosennite leader of Israel. Might I suggest the Kanye West treatment, nothing but bad press, cancelled events, and banned from MSM outlets on TV and internet??? Just like another person who was forced to come out and not only apologize to the self-chosenites, but had to make a substantial donation and take out

only apologize to the self chosenites, but had to make a substantial donation and take anti semitism training/re education. Until Donald Trumpstein apologizes to POTUS Bibi, I think he deserves the full treatment.....the bad press, the cancelled events, the accusations of antisemitism. Perhaps the Epstein Files might make Trump more receptive to heir Bibi?
