Police used tear gas against dozens of protesters opposing forced mobilization in Kiev on Sunday night, according to local Telegram channels.

The standoff began when an angry crowd gathered to defend a man who was being grabbed off the street by draft officers, the news outlet Strana reported.

Bystanders reportedly clashed with the officers, chanting “*Shame!*”

Draft officers often ambush military-age men on the streets, at workplaces, and outside their homes, using physical force against those who resist or attempt to flee. The campaign has been dubbed ‘busification’ because recruits are often shoved into minibuses and driven to enlistment offices.

The dictator of Ukraine Zelensky is Jewish, the former prime minister of Ukraine and current minister of energy Shmygal is Jewish, the head of the president's office Yermak is Jewish, the leader of the largest party in parliament Arakhamia is Jewish. The minister of foreign affairs Sibiga is Jewish. So are all the oligarchs like Kholomoiski. The Mossad controlled SBU agents hunt down Ukrainian Orthodox Christian Slavs to send to their slaughter, while allowing Ukrainian citizens of Jewish descent to leave the country legally. It's a genocide against the Christian Slavs. The war in Ukraine was orchestrated by the Jewish supremacist parasites who control the US through AIPAC. The Israeli AIPAC brags on their own website that they select 98% of the politicians in the US. The Jewish supremacists own 97% of the Mass media in the Western world. They use that control to foment hatred towards everything Russian. Every country that is taken over by the Jewish supremacists experiences eventual decay and ruin.

Ukraine went from a population of 52 million people at the break up of the Soviet Union to about 19 million today. If you are a Christian Slav it is nearly impossible to escape the tentacles of the Mossad controlled SBU in Ukraine. But it isn't only Ukraine. The genocide in Ukraine is just a replica of what's been going on throughout the Western world. The people of European descent went from being 36% of the global population at the turn of the last century to being only 6% today. Over a hundred million died in two Jewish supremacist bankers orchestrated world wars. Tens of millions of Russian Orthodox Christian Slavs were killed by the Jewish Bolsheviks. Millions more are disappearing into the black hole of misgenation. The Jewish supremacists orchestrated multiculturalism which is code name for White genocide.

Today they are using the war in Ukraine to prepare us for war with Russia. People of European descent need to wake up before our fate resembles that of the Palestinian people whose land they've stolen.

OK. So Ukraine is running out of slavs to die for EU/US/UK in the front and they have started picking up Uncles & Nephews of Koshers ?

A deal is expected soon, with a clause for koshers to return from Israel to fill the huge male gap. Like it was in Germany. With citizenship and call themselves Germans.
