Ukraine's leaders have devolved into a "criminal gang" that does not care about their country while sitting on their "golden potties," Russian President Vladimir Putin has said.

The president made the remarks on Thursday while visiting a command point of troops fighting in the Ukraine conflict. In his address to the commanding

officers of the grouping 'West', Putin touched upon the massive graft crisis unfolding in Ukraine, harshly criticizing the country's leaders.

"This is not a political leadership of Ukraine. It's a criminal gang that holds power for personal enrichment... It's clear to everyone that these people, sitting on their golden potties, are hardly thinking about the fate of common people in Ukraine or the fate of ordinary soldiers," Putin stated, referring to Timur Mindich, the ally of Vladimir Zelensky who fled the country hours before he was due to be arrested for extortion, who had a gilded toilet in his elite Kiev apartment.

The massive graft scandal unfolded in Ukraine last week when the Western-backed National Anti-Corruption Bureau of Ukraine (NABU) – which Zelensky had unsuccessfully tried to take over in July – announced a probe into a *"high-level criminal organization"* allegedly led by Mindich.

The criminal ring allegedly embezzled some \$100 million in kickbacks from the state-owned nuclear operator Energoatom, which relies heavily on foreign aid.

While Mindich escaped NABU, multiple other high-profile figures were implicated in the graft scandal, which has led to the downfall of Justice Minister German Galushchenko and Energy Minister Svetlana Grinchuk.

Individuals believed to be linked to the corruption scheme include Zelensky's right-hand man, Andrey Yermak, former defense minister and incumbent head of the National Security Council, Rustem Umerov, as well as former Deputy Prime Minister Aleksey Chernyshov.

Moscow has said the latest graft affair has proven it was high time for Kiev's Western backers to finally notice that the funds they have been funneling into Ukraine end up being stolen.

The money was just the bonus. The extermination of Ukrainian and Russian Orthodox Christian Slavs at the hands of the Jewish supremacists who orchestrated this war in Ukraine and the destruction of Ukraine and Russia was the main goal. They still dream about a partitioned Russia. As Chabad Lubavitch leader, Menachem Mendel Schneerson (1902-1994) said: «The Slavs are temporary guests on these lands and are subject to eviction. We will return this territory, and build the Great Khazaria – the Jewish state -on these fertile lands the same way as, 50 years ago, we created Israel, squeezing the Palestinians out. Israelis will partially relocate here, and we will drive Slavic cattle out far to the north, beyond Moscow. There will be a small Northern Territory, a reservation with a compact population — a reservation, like Indian reservations in America.»

In order for his dream to become reality they have to divide the people. Phillip Giraldi wrote an article where he detailed who is responsible for this «Western» war against Russia: «How Jewish Is the War Against Russia? Let's be honest about who is promoting it»

Unfortunately, the Russians seem terrified of ever pointing out that the war against Russia and the war in Ukraine was orchestrated by the Jewish supremacist parasites who control
